DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

The prior art taken alone or in combination failed to teach or suggest a proximity determination device operative to determine a distance of the portable element from a specified location and to produce a signal indicative of the distance and authorizing a quantitative use limit which varies between a maximum and minimum use limit and includes a range of non-zero use limits determined as a monotonically decreasing function of at least one of an elapsed time since a predetermined time and the distance indicated by the signal as recited in independent claims 15 and 42.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
